Dear colleagues,

RE: INVITATION TO A THREE-DAY CAPACITY BUILDING TRAINING ON PROFESSIONAL AUTOCAD AND GRID-TIED SOLAR SYSTEM SIZING.

The Electrical and Electronics Engineering Department at Murang'a Technical Training Institute wishes to cordially invite engineering trainers from your respective institutions to attend a specialized, hands-on three-day capacity building workshop.

The objectives of this intensive training program is to bridge critical industry gaps and equip trainers with advanced practical skills in modern electrical design frameworks and renewable energy architectures.

Training details

Course coverage.

1. Professional AUTOCAD for Engineering Layout and Schematics.
2. Advanced System sizing and Simulation in Grid-Tied Solar PV System Installation.

The training is scheduled to run from 3rd November, 2026 to 5th November, 2026.

Venue: Electrical Engineering Department, Murang'a Technical Training Institute.

Cost: KES15,000 per participant (covers both the entire training and meals)

Payment modalities

To secure a slot, institutional or individual payment should be remitted directly to the institute bank account using the details provided below.

Account name: Murang'a Technical Training Institute

Bank: Kenya Commercial Bank

Account number: 1282527274

Branch: Murang'a

Registration and inquiries:

For registration, coordination log sheets, and further administrative details, kindly reach out directly to the Head of Department (HOD)- Electrical and Electronics Engineering.

Contact phone number: 0795972913/0748108000

Official institutional email: murangatti@gmail.com

We look forward to partnering with your institution as we collectively elevate the standards of technical training and socio-economic empowerment across our TVET network.

Your faithfully

Ngatiah Simon Nderitu
